

CONVERTED ON LSD TRIP

David Clarke

This tells the story of David Clarke's conversion from crime to Christ.

Foreword by Dr Philip Fleming

MA. BA, Bch. FRCPsych. DPM

“Converted on LSD Trip”

This book, the personal testament of David Clarke, in an autobiographical style. It charts his life, which became one of criminality and drug taking though an experience in 1970 of finding God whilst under the influence of LSD. Cynics may say that this was just an effect of drugs, but it is clear that the experience changed his life. Later when in court facing charges he admitted to many other crimes and was fortunate in receiving three years conditional discharge and not a prison sentence.

Since then David has combined his work as a lecturer in electronics with his mission of spreading the word of God. This is a scrupulously honest book recording both the difficulties he has faced as well as the successes in his life since 1970. A continuing worry is the fate of his brother, currently serving a long prison sentence in a Philippine jail who himself has recently found God.

“This is an inspiring story of a life that has been turned from crime to a positive account and may be of help to others who find themselves direction-less and involved in crime and drug misuse”.

This tells the continuing story of The David and Michael Clarke

Trojan Warriors is a true story of two brothers, Michael and David Clarke, who are brought up in Aylesbury, Buckinghamshire, England. They became criminals in the 60's and were sent to prison for malicious wounding and carrying a fire arm without a license, in 1967.

They both turned from their lives of crimes in remarkable ways but some 25 years apart, and then they worked together helping other prison inmates, on their own roads of reformation.

David the younger brother became a Christian, after a bad experience on LSD, in 1970, and then went on to educate himself and then on to Higher Education. He became a baptist minister and taught electronics for over 20 years, in colleges of Higher and Further Education. Michael however remained untouched and continued his flamboyant life style ending up serving a 16 year prison sentence, in the Philippines, in 1996, where he died of tuberculosis in 2005.

When David heard the news of his brothers arrest on an ITN television news bulletin he felt compelled to wrote their story. And then when he heard of his own brothers conversion from crime to Christ, after serving 5 year of his sentence, he published their story in his book, "Converted on LS Trip", and directed a mission of help to the Philippines to assist his brother. This book tells the story of this mission.

They then worked together with many former notorious criminals, who were inmates in New Bilibid Prison, who too had become Christians and turned their lives around. This help was to train them to become preachers of the gospel of Jesus Christ .

This book contains the 66 testimonies of some of these men who convicted former criminals, incarcerated in New Bilibid Prison. They are the, "Trojan Warriors", who had

turned their lives around and from crime to Christ. Twenty two of these testimonies are men who are on Death Row scheduled to be executed by lethal injection.

Revelation 12 verse 11: And they overcame him by the blood of the lamb and the word of their testimony and they loved not their lives unto the death.

THE FALL DESPERATION AND RECOVERY

David Clarke

The Fall Desperation and Recovery

David encountered great conflicts of conscience whilst at the Bierton Strict and Particular Baptists Church and seceded over matters of conscience. For two years he wondered what the future held for him and wondered about the the direction that he should go. This led him to severe depression thinking that God had rejected him and then to a desperate state of mind resulting in him turning away from God and to open sin.

This is the continuing story of David life as told in his book , “**Converted on LSD Trip**”, and relates the journey that led to his fall, the desperation, recovery and restoration to faith in Christ . He tells of the good news he received of his brother Michael and his conversion from crime to Christ, that took place 5 years into a 16 year prison sentence, in the Philippines. This was 30 years after David ‘s own conversion from crime to Christ, which was the moving factor behind publishing his story.

David believes this book will be very useful for people of all ages who wish to see the hand of God at work and in particular for those learning the Christian faith.
